

DUAL BACHELOR OF SCIENCE IN HEALTH SCIENCES WITH A MAJOR IN CLINICAL RESEARCH ADMINISTRATION AND MASTER OF SCIENCE IN HEALTH SCIENCES IN THE FIELD OF REGULATORY AFFAIRS

The School of Medicine and Health Sciences offers a dual bachelor of science in health science with a major in clinical research administration (<https://bulletin.gwu.edu/medicine-health-sciences/undergraduate-programs/bshs-clinical-research-administration/>) and master of science in health sciences in the field of regulatory affairs (<https://bulletin.gwu.edu/medicine-health-sciences/graduate-programs/ms-regulatory-affairs/>) degree program. This online program allows students to take 9 graduate credits as part of their undergraduate program, thereby decreasing the number of credits normally required for the master's degree. All requirements for both degrees must be fulfilled.

The 9 graduate credits students take in lieu of undergraduate electives are:

Code	Title	Credits
HSCI 6223	Topics in Health Care Leadership	
HSCI 6240	Issues and Trends in the Health Care System	
RAFF 6201	Introduction to Global Regulatory Affairs	

Visit the program website (<https://healthsciencesprograms.gwu.edu/programs/dual-degree-bshs-in-clinical-research-administration-mshs-in-regulatory-affairs-online/>) for additional information.
