DUAL BACHELOR OF SCIENCE IN HEALTH SCIENCES WITH A MAJOR IN CLINICAL RESEARCH ADMINISTRATION AND MASTER OF SCIENCE IN HEALTH SCIENCES IN THE FIELD OF REGULATORY AFFAIRS

The School of Medicine and Health Sciences offers a dual bachelor of science in health science with a major in clinical research administration (https://bulletin.gwu.edu/medicine-healthsciences/undergraduate-programs/bshs-clinical-researchadministration/) and master of science in health sciences in the field of regulatory affairs (https://bulletin.gwu.edu/medicinehealth-sciences/graduate-programs/ms-regulatory-affairs/) degree program. This online program allows students to take 9 graduate credits as part of their undergraduate program, thereby decreasing the number of credits normally required for the master's degree. All requirements for both degrees must be fulfilled.

The 9 graduate credits students take in lieu of undergraduate electives are:

Code	Title	Credits
HSCI 6223	Topics in Health Care Leadership	
HSCI 6240	Issues and Trends in the Health Care System	
RAFF 6201	Introduction to Global Regulatory Affairs
